

# Doing business in Ireland & Philadelphia: Symposium with *Údarás na Gaeltachta*

PLEASE JOIN THE IRISH AMERICAN BUSINESS CHAMBER & NETWORK IN WELCOMING

Údarás na Gaeltachta is the regional authority responsible for the economic, social and cultural development of the Gaeltacht.

The overall objective of *Údarás na Gaeltachta* is to ensure Irish remains the main language of the region and is passed on to future generations. *Údarás* encourages investment in the Gaeltacht through a range of generous incentives for new enterprises and through support and assistance for existing businesses.

The organisation supports businesses in developing new markets, technologies, products and strategic alliances through research and development. Gaeltacht companies span a range of commercial sectors, including tourism, fish processing and aquaculture, renewable energy, food, life sciences, ICT, niche manufacturing, audio visual and digital media, arts and crafts.

---

## ÚDARÁS NA GAELTACHTA COMPANIES

### CLS (Saotharlann Chonamara)

CLS (Complete Laboratory Solutions & CLS MedPharma) is the leading Irish contract laboratory. The company provides microbiological & analytical testing and supply trained analysts on contract to the pharmaceutical, medical device, food and water industries.

### CréVinn Teoranta

CréVinn Teoranta is a silicon design company based in An Spidéal, Co. Galway. The CréVinn team has been instrumental in the development of many pioneering ASICs and IP cores for market leading products. Their specialties include ASIC/FPGA design and verification services, and IP for the networking, automotive, industrial and financial markets.

### Firebird

Firebird Heating Solutions designs and manufactures highly efficient condensing oil fired boilers suited for any hydronic heating system. For over 30 years, they have produced domestic heating appliances that are convenient to install, service and are reliable, at their factory in Muscraí Gaeltacht, Co. Cork, Ireland.

### Folláin

Folláin make a selection of fresh fruit preserves, marmalade, jams, chutneys, relishes and salsas. Their high-quality products are made from 100% natural ingredients products, and have increased in popularity in Ireland over the past number of years.

The word "Folláin" is Irish for wholesome – and the wholesomeness of the preserves are the secret of the success of this family-run business based in the Múscraí Gaeltacht in Co. Cork.

### OGT (Oilean Glas Teo)

Makers of AlgaeGreen, natural seaweed extract and seaweed fertilizer, OGT services two key markets and R&D new markets through product innovation ranging from a natural liquid concentrate to a revitalising granular solid.

### SELC

SELC develops and manufactures electronic lighting controls and photocells. The energy-efficient products satisfy requirements of environmental legislation in large European and US market areas.
